

October Glory Red Maple

Bring home the colors of fall with this stunning October Glory Red Maple. It is one of the most popular cultivars in the United States due to its dependable fall color and vigorous growth. This tree's foliage turns a brilliant orange and red hue in late autumn, and as an added bonus, produces tiny red blooms each spring. This maple has an oval to rounded shape and is a fast grower with strong wood. This ever-popular maple is considered a beautiful shade tree addition to any yard. It is also well suited as a street tree in residential and suburban areas.
